“Patience is the key to success” said by Mr. D.C.Jain (Additional Director General of Police) in guest lecture on “obstacles in civil services” organised on 20th Feb. 2016. Mr.D.C.Jain is a graduate in Electronics and electrical Engineering. He shared his experience and insight in order to contribute to students’ development and enable them to understand more about the Civil Service as a potential future employer. He advised to follow a daily newspaper to keep yourself updated about world news as general knowledge constitute a major section of exams. The overall session was inspirational, motivational and encouraged students to consider a career as a civil servant.
